

Volume Lash Extension Training:

Objective:

This course will guide the student through the basic technique used for applying volume lash extensions. The student will gain the knowledge and skills needed to be able to safely apply a volume set of lash extensions. Additional practice will be required after the course to build technique to a level appropriate for use on clients.

Time required: 4 hours

Cost: \$475

Kit Cost: \$140 (optional)

Prerequisite: Current NH Esthetics or Cosmetology License, Classic Lash Extension Certification

Location: In your own treatment room (other options available)

Course Description:

This course will start with theory topics including defining varying styles and techniques (such as lash wrapping and the pinch method), supplies and products, tricks and tools of the trade, safety, client consultation, before and after care, etc. The student will practice preparing volume fans with multiple techniques. The remainder of the class time will be spent with a live demonstration as well as hands on practice on a live model with one-on-one instructor observation. A model will be required.

Handouts, kit/supplies and a certificate will be provided on the day of the class. Continued support is always included with the class fee.

A non-refundable deposit of \$100 is required at the time of booking to reserve the day. The kit fee must be paid a minimum of one week before training date.
