

Lash Extension Troubleshooting Session:

Objective:

The purpose of this training session is to target areas of concern in your lash extension application technique. By digging deep into some of the common mistakes or challenges, you can improve your speed, retention, overall client satisfaction and profitability of this service! This session is tailored specifically to your individual needs.

Time required: 3 hours

Cost: \$275

Kit Cost: There is no kit required for this course

Prerequisite: Lash Extension Certification (from any reputable source), Completed Questionnaire

Location: In your own treatment room (other options available)

Course Description:

This course will consist of communication prior to training sessions which will include completing a questionnaire about the details of your technique, the challenges you are experiencing, product details, etc. Pictures of your work will also be helpful to submit prior to class.

During the scheduled in-person training session, the first hour will consist of discussion of technique, common mistakes, details of the product specifications, etc. The remaining 2 hours will be hands on practice with one-on-one observation. A model will be required.

Handouts, kit/supplies (when applicable) and a certificate will be provided on the day of the class. Continued support is always included with the class fee.

A non-refundable deposit of \$100 is required at the time of booking to reserve the day. The kit fee must be paid a minimum of one week before training date.
